New Delhi, the 25th June 1966

S.O. 2015.—Whereas by the notification of the Government of India in the late Ministry of Mines and Fuel, No. S.O. 1972 dated the 4th July, 1963, under sub-section (1) of Section 4 of the Coal Bearing Areas (Acquisition and Development) Act, 1957 (20 of 1957), the Central Government gave notice of its intention to prospect for coal in 4192.25 acres (approximately) or 1697.86 hectares (approximately) of lands in the locality specified in the schedule appended to that notification;

And whereas by the notification of the Government of India in the late Ministry of Steel and Mines (Department of Mines and Metals S.O. 4192 dated the 3rd December, 1964, under sub-section (1) of Section 4 of the said Act the Central Government declared that it did not intend to prospect for coal in the land measuring 294.88 acres (approximately) or 119.43 hectares (approximately) in the said locality and described in Schedule II, appended to that notification and directed that the first mentioned notification shall cease to have effect in respect of the same 294.88 acres (approximately) or 119.43 hectares (approximately);

And whereas by the notification of the Government of India in the late Ministry of Steel and Mines (Department of Mines and Metals) S.O. 2169 dated the 30th June, 1965 under sub-section (1) of section 7 of the said Act, notice was issued specifying a further period of one year commencing on the 4th July, 1965 as the period within which the Central Government may give notice of its intention to acquire the lands specified therein or any rights in or over such lands;

And whereas the Central Government is satisfied that out of the said lands coal is obtainable in 3817.00 acres (approximately) or 1545.89 hectares (approximately) of lands.

Now, therefore, in exercise of the powers conferred by sub-section (1) of section 7 of the Coal Bearing Areas (Acquisition and Development) Act, 1957, the Central Government hereby gives notice of its intention to acquire the rights to mine, quarry, bore, dig and search for, win, work and carry away minerals in the lands measuring 3817.00 acres (approximately) or 1545.89 hectares (approximately) described in the Schedule appended hereto;

NOTE.—1 The plan of the areas covered by this notification may be inspected in the office of the Collector, Burdwan (West Bengal) or in the office of the Coal Controller, 1-Council House Street Calcutta or in the office of the National Coal Development Corporation Limited (Revenue Section) Darbhanga House, Ranchi.

NOTE 2.—Attention is hereby invited to the provision in section 8 of the Coal Bearing Areas (Acquisition and Development) Act, 1957, which provides as follows:—

- 8(1) "Any person interested in any land in respect of which notification under section 7 has been issued may within thirty days of the issue of the notification, object to the acquisition of the whole or any part of the land or of any rights in or over such land.

Explanation.—It shall not be an objection within the meaning of this section for any person to say that he himself desires to undertake mining operations in the land for the production of coal and that such operations should not be undertaken by the Central Government or by any other person.

- (2) Every objection under sub-section (1) shall be made to the competent authority in writing, and the competent authority shall give the objector an opportunity of being heard either in person or by a legal practitioner and shall, after hearing all such objections and after making such further inquiry, if any, as he thinks necessary submit the case for the decision of the Central Government together with the record of the proceedings held by him and a report containing his recommendations on the objections.

- (3) For the purposes of this section, a person shall be deemed to be interested in land who would be entitled to claim an interest in compensation if the land or any rights in or over such land were acquired under this Act".

It may be noted that the Coal Controller, 1-Council House Street, Calcutta-1, has been appointed by the Central Government as the competent authority under the Act.

[No. C2-20(181/64)].

New Delhi, the 2nd July 1966

S.O. 2029.—Whereas by the notification of the Government of India in the Ministry of Mines and Metals No. S.O. 1769, dated the 2nd June, 1966 under sub-section (1) of section 4 of the Coal Bearing Areas (Acquisition and Development) Act, 1957 (20 of 1957), the Central Government gave notice of its intention to prospect for coal in 448.00 acres (approximately) or 181.44 hectares (approximately) of lands in the locality specified in the Schedule appended to that notification;

And whereas, the Central Government is satisfied that coal is obtainable in 448.00 acres (approximately) or 181.44 hectares (approximately) of lands out of the said lands;

Now, therefore, in exercise of the powers conferred by sub-section (1) of section 7 of the Coal Bearing Areas (Acquisition and Development) Act, 1957, the Central Government hereby gives notice of its intention to acquire the rights to mine, quarry, bore, dig and search for, win, work and carry away minerals in the lands measuring 448.00 acres (approximately) or 181.44 hectares (approximately) described in the Schedule appended hereto:

NOTE 1.—The plans of the area covered by this notification may be inspected in the office of the Deputy Commissioner, Hazaribagh or in the Office of the Coal Controller, 1, Council House Street, Calcutta or in the Office of the National Coal Development Corporation Ltd. (Revenue Section), Darbhanga House, Ranchi (Bihar).

NOTE 2.—Attention is hereby invited to the provisions of section 8 of the Coal Bearing Areas (Acquisition and Development) Act, 1957 which are as follows:

- (1) "Any person interested in any land in respect of which a notification under section 7 has been issued may, within thirty days of the issue of the notification, object to the acquisition of the whole or any part of the land or of any rights in or over such land.

Explanation.—It shall not be an objection within the meaning of this section for any person to say that he himself desires to undertake mining operations in the land for the production of coal and that such operations should not be undertaken by the Central Government or by any other person.

- (2) Every objection under sub-section (1) shall be made to the competent authority in writing, and the competent authority shall give the objector an opportunity of being heard either in person or by a legal practitioner and shall, after hearing all such objections and after making such further enquiry, if any, as he thinks necessary, submit the case for the decision of the Central Government together with the record of the proceedings held by him and a report containing his recommendations on the objections.
- (3) For the purposes of this section a person shall be deemed to be interested in land who would be entitled to claim compensation if the land or any rights in or over such land were acquired under this Act."

MINISTRY OF HEALTH AND FAMILY PLANNING

New Delhi, the 28th June 1966

S.O. 2045.—The following draft of rules further to amend the Drugs and Cosmetics Rules, 1955, which the Central Government proposes to make, after consultation with the Drugs Technical Advisory Board, in exercise of the powers conferred by sections 12 and 33 of the Drugs and Cosmetics Act, 1940 (23 of 1940), is published, as required by the said sections for the information of all persons likely to be affected thereby and notice is hereby given that the said draft will be taken into consideration on or after the 30th September, 1966.

2. Any objections or suggestions which may be received from any person with respect to the said draft before the date so specified will be considered by the Central Government:—

Draft Rules

1. **Short title.**—These Rules may be called the Drugs and Cosmetics (Amendment) Rules, 1966.

2. In the Drugs and Cosmetics Rules, 1945, (hereinafter referred to as the said rules) after rule 126, the following rule shall be inserted, namely:—

“126A. *Standards for ophthalmic preparations.*—The standards for ophthalmic preparations shall be those laid down in Schedule FF.”

3. After Schedule F of the said rules, the following Schedule shall be inserted, namely:—

“SCHEDULE FF”

(See rule 126-A)

Standards for ophthalmic preparations.—Ophthalmic preparations in liquid or ointment form, packed in single or multiple dose containers, shall:—

- (a) be sterile;
- (b) contain one or more suitable and harmless substance that will prevent the growth of micro-organism;
- (c) be so packed as to volume and type of container, and so labelled as to duration and use and with such necessary warning as to afford adequate protection and minimise the hazards of injury resulting from contamination during use;
- (d) be provided as far as possible with cap droppers packed in sterile cellophane covers or polythene self-dropping bottles or tubes, and be so labelled as to afford adequate direction and necessary warning to minimise the hazards of injury resulting from contamination during use;
- (e) contain specific instructions regarding the method of storing the drug under local conditions so as to minimise the chances of contamination during storage;
- (f) bear the following statement either on the container or carton or package leaflet, namely:—

“Warning.—1. If irritation persists or increases, discontinue use and consult physician. Keep container tightly closed.

- 2. Do not touch the dropper tip or other dispensing tip to any surface, since this may contaminate solution. Before fixing the cap dropper to bottle or where there is the possibility of touching the dropper, the hands should be thoroughly scrubbed with soap and rinsed with water”.

[No. F. 1-17/64-D].

New Delhi, the 5th July 1966

S.O. 2046.—Whereas the Central Government proposes to make, in exercise of the powers conferred by section 12 and 33 of the Drugs and Cosmetics Act, 1940 (23 of 1940), certain rules (hereinafter referred to as the said rules) further to amend the Drugs and Cosmetics Rules, 1945;

And, whereas the Central Government is of opinion that circumstances have arisen which render it necessary to make the said rules without consultation with the Drugs Technical Advisory Board;

Now, therefore, in exercise of the powers conferred by the proviso to sub-section (1) of the said section 12 and the proviso to sub-section (1) of the said section 33, the Central Government hereby dispenses with such consultation and publishes as required by those sub-sections, a draft of the said rules for the information of all persons likely to be affected thereby.

2. Notice is hereby given that the said rules will be taken into consideration on or after the 1st September, 1966.

Any objections or suggestions which may be received from any person with respect to the said rules before the said date will be considered by the Central Government.

Draft Rules

1. These rules may be called the Drugs and Cosmetics (Amendment) Rules, 1966.

2. In the Drugs and Cosmetics Rules, 1945,

(1) in PART XV—(i) for the heading "LABELLING AND PACKING OF COSMETICS; the heading "LABELLING, PACKING AND STANDARDS OF COSMETICS" shall be substituted;

(ii) after rule 150, the following rule shall be added, namely:—

180-A. Standards for cosmetics.—Subject to the provisions of these rules, the standards for cosmetics shall be such as may be prescribed in Schedule 'T'.

(2) after Schedule S, the following Schedule shall be added, namely:—

'SCHEDULE T (See rule 150-A)

Standards for cosmetics—

1. *Standards for Alcoholic Fragrance Solutions.*—Alcoholic Fragrance Solutions such as 'Eau-de-Cologne', which are intended for sale names, by whatever name called, are solutions in alcohol of perfumed oils and made according to the formula of individual manufacturers.

The alcohol used in the manufacture of such solutions shall contain one per cent of Diethyl Phthalate as a denaturant.

The label of the container of any such Alcoholic Fragrance Solution and the outer covering, if any, in which the container is packed, shall bear the following words, which shall be either printed or written in indelible ink in a conspicuous manner, namely:—

"HARMFUL IF TAKEN INTERNALLY"

MINISTRY OF LABOUR, EMPLOYMENT AND REHABILITATION

(Department of Labour and Employment)

New Delhi, the 28th June 1966

S.O. 2053.—In pursuance of section 17 of the Industrial Disputes Act, 1947 (14 of 1947), the Central Government hereby publishes the following award of the Industrial Tribunal, Madras, in respect of an industrial dispute between the management of the Catholic Syrian Bank Limited and their workmen which was received by the Central Government on the 22nd June, 1966.

BEFORE THE INDUSTRIAL TRIBUNAL, MADRAS

Wednesday the 15th day of June, One thousand nine hundred and ~~sixty-six~~
25th Jyaistha, 1888 (Saka)

PRESENT:

Shri O. V. Balaswami, B.A., B.L., Industrial Tribunal.

I.D. No. 32 of 1966

(Between the workmen and the management of Catholic Syrian Bank Ltd., Head Office, Trichur).

BETWEEN:

The Secretary, Kottapadi Bank Private Ltd., Employees' Union, P.O. Kottapadi, District Palghat, Kerala.

AND

The General Manager, Catholic Syrian Bank Ltd., Head Office, Trichur.

Reference: No. 51(50)65-LRIV, dated 27th November, 1965, Ministry of Labour and Employment, Government of India, New Delhi.

This dispute coming on this day for hearing and the union being absent and a representative of the management appearing in person, the tribunal passed the following award:

AWARD

Union absent. The Central Government's reference is dated 27th November, 1965. Presumably the same must have reached the union in December, 1965. The reference has been published in the gazette. Still, till now no claim statement has been filed. After waiting for a reasonable time the date of hearing (15th June, 1966) was intimated to both parties. This intimation was received by the union on 21st May, 1966. Still the union has not filed a claim statement. Nor does it appear. In the circumstances, I hold that the workmen have no valid claim. I pass an award answering the points referred to me against the workmen.

APPEARANCES:

For the Employers.—Sarvashri S. S. Mookerjee, Advocate and R. Ramachandran, Group Labour Officer of the Company.

For the Workmen.—Shri P. P. Pathak, and Robin Chatterjee, Vice-President, of the Colliery Mazdoor Sabha.

STATE: West Bengal.

INDUSTRY: Coal.

Dhanbad, dated the 8th April, 1966.

AWARD

By its order No. 6/95/64-LRII dated 30th September, 1965, the Government of India, Ministry of Labour and Employment, referred to this Tribunal for adjudication, an industrial dispute existing between the employers in relation to the Ramnagar Colliery, P. O. Pandaveshwar, Dist., Burdwan and their workmen in respect of the matters specified in the Schedule attached to the order of reference which is reproduced below:—

SCHEDULE

"Whether the suspension of Shri Biswanath Chamar, (C. P. Miner, Ramnagar Colliery) for the period from the 19th February 1964 to 2nd

March, 1964 by the management of Ramnagar Colliery is justified? If not, to what relief is the workman entitled?"

2. On 8th January, 1966, the management filed their written statement. Their case was that the concerned workman Biswanath Chamar was employed as a C. P. Miner at their Ramnagar Colliery; that he filthily abused and threatened to assault their Group Labour Officer and Labour Welfare Officer on 17th February, 1964; that for this misconduct the Manager of the colliery issued a chargesheet dated 19th February, 1964, and the concerned workman was kept suspended pending enquiry; that the concerned workman submitted his explanation to the chargesheet on 21st February, 1964, stating that the allegations were totally false and baseless but as the explanation was not found satisfactory the Manager of the colliery directed an enquiry to be held which was done on 25th February, 1964; that the enquiry was held on 25th February, 1964, in presence of the concerned workman and at the enquiry his misconduct was proved and, therefore, the Enquiry Officer submitted his report on 27th February, 1964, to that effect; that the concerned workman was allowed to resume his duty but was given punishment of suspension and his suspension pending enquiry was treated as punishment, and, therefore, his suspension as punishment from 19th February, 1964 to 2nd March, 1964, was absolutely justified.

3. On 31st January, 1966, a written statement on behalf of the concerned workman was filed by Shri Robin Chatterjee, Vice-President, Colliery Mazdoor Sabha. The defence of the union was that the concerned workman Bishwanath Chamar was chargesheeted on false allegations to which he pointedly replied that the charges brought against him were false but still he was suspended from the date of the chargesheet; that the enquiry was held and was attended by the concerned workman but the said enquiry was conducted in a very illegal and arbitrary manner and in violation of the principles of natural justice; that previous to the chargesheet the workman went to his native place and demanded train and bus fare for the journey but the company refused to pay anything by a letter dated 5th February, 1964, in violation of clause 12(A) of the Standing Orders and as a counterblast issued the chargesheet in question; that the action of the management in treating his suspension as punishment is illegal and *malafide* in view of the fact that the enquiry was held illegally and at the enquiry the charge against the concerned workman could not be proved; and, that, therefore, the punishment of suspension of the concerned workman from 19th February, 1964 to 2nd March, 1964, being illegal should be set aside and he should be paid full wages for that period.

4. On 16th February, 1966, on behalf of the management a rejoinder was received to the written statement filed by the union in which the management dealt with the allegations of the union mentioned in the several paragraphs of the written statement and justified the suspension of the workman from 19th February, 1964 to 2nd March, 1964.

5. The management was represented by Sarvashri S. S. Mookerjee, Advocate and R. Ramachandran, Group Labour Officer of the Company, Sarvashri P. P. Pathak and Robin Chatterjee, Vice President, Colliery Mazdoor Sabha, represented the union, which represented the concerned workman.

6. Both the parties filed documents, which with mutual consent, were taken in evidence and marked exhibits. Documents filed by the management were marked *Exts. M 1 to M 16* and those filed by the union were marked *Exts. W. to W. 8*. No witness was examined by any side. The concerned workman himself was not present before the Tribunal.

7. The material facts, with dates, which are necessary to be stated for the purpose of deciding the present reference, are these:

27th January, 1964.—*Ext. M. 6* will show that the workman made an application to the Manager that he had been allowed leave but was not given Railway Ticket and, therefore, both sides fares may be paid to him.

5th February, 1964.—The Manager informed the workman in reply to *Ext. M 5*. *Ext. W. 6* that he had not collected his railway Ticket and therefore he will not get cash in lieu of it—*Ext. M. 5*.

17th February, 1964.—At about 5 P. M. it was alleged that the workman, Biswanath Chamar, filthily abused and threatened to assault the Group Labour Officer and Labour Welfare Officer.

18th February, 1964.—The above two persons made a joint complaint *Ext. M.* to the Manager of the colliery complaining about the above incident.

19th February, 1964.—Chargesheet *Ext. M. 1* was issued against the workman stating the above facts and saying that it was serious misconduct and therefore he was charged under clause 18(r) of the Standing Orders *Ext. M. 14* and, therefore, pending enquiry he was suspended.

21st February, 1964.—The workman submitted his explanation *Ext. M. 2* in which he denied the charge and said that the charge is entirely false and baseless because he went to Group Labour Officer for his train fare and requested him to arrange payment, as a letter has been issued to him by the manager of the colliery that he would not be paid train fare and, therefore, he made request very respectfully but Group Labour Officer along with Labour Welfare Officer abused him in the office and he may produce witnesses when required.

23rd February, 1964.—A notice *Ext. M. 3* regarding the enquiry to be held on 25th February, 1964, at 3 P.M. was issued to the concerned workman asking him to be present with all his witnesses.

25th February, 1964.—Enquiry was held by Shri R. N. Srivastava, Enquiry Officer. At that enquiry, Shri R. Ramachandran, Group Labour Officer, whose statement is *Ext. M. 7*; Shri B. S. Verma, L.W.O., whose statement is *Ext. M. 8*; Shri Ch. Ram Bisal, U.G. Loader, whose statement is *Ext. M. 9*; Shri Tarun Kumar Chatterjee, Safety Lamp Incharge, whose statement is *Ext. M. 10*, were examined as prosecution witness. It may be mentioned that all these witnesses of the company, except Shri R. Ramachandran, were cross-examined by the concerned workman. Thereafter, the statement of the concerned workman Bishwanath Chamar was recorded, whose statement is *Ext. M. 11* and then his defence witness Shri Ramnagar Koiri, C. P. Miner, was examined whose statement is *Ext. M. 12*.

27th February, 1964.—The Enquiry Officer submitted his enquiry report *Ext. M. 4*.

2nd March, 1964.—The Manager of the colliery sent a letter *Ext. M. 13* *Ext. W. 8* to the concerned workman informing him that his misconduct charged has been established and is serious and is subversive of discipline, but in view of his past records, he is given a chance to improve his conduct and, therefore, he is allowed to resume his duty with immediate effect. He was further informed that the period of suspension will be treated as punishment and he is warned that any future lapse on his part will be viewed very seriously.

2nd March, 1964.—The Manager sent a letter *Ext. W. 7* to the workman informing him that he is allowed to remain on duty with effect from 3rd March, 1964.

8. Regarding the story of the union about the Railway Ticket, it was contended by the union that the story set up by the management that they purchased the ticket for the concerned workman is false, because if it had been purchased and returned then the refunded ticket or the unused ticket or the money receipt of the ticket could have been filed, but nothing has been done and, therefore, this story has been concocted, although as a matter of fact no ticket was given nor purchased and, therefore, the concerned workman wanted cash for going home. Clause 12 of the Standing Orders *Ext. M. 14* deals with Railway Travel facilities. In clause 12, sub-clause (a), provides that when a workman proceeds on leave and is qualified for free railway fare, the employer shall either buy his ticket or give him an equivalent amount to purchase his ticket (including bus fare) to his home. Sub-clauses (b) to (f) in clause 12 deal with other matters connected with the railway fare facilities. The management did not dispute that this workman was entitled to railway travel facility as provided in clause 10 of the Standing Orders. It was also not denied by the management that he was granted leave as mentioned in *Ext. M. 6* for 14 days on 29th October, 1963. The case of the management is that the management purchased a railway ticket but the workman did not turn up to take it; On the other hand, the case of the union is that the management did not purchase a ticket and, therefore, the workman wanted cash for purchasing the ticket. The fact that neither the money receipt, which is granted when asked for at the time of purchasing a ticket by the Booking Clerk nor the receipt showing the refund of the ticket if purchased by the management nor the unused ticket was filed by the management, is a very strong circumstance against the contention of the management and to support the contention of the union. I have, therefore, no doubt that the case of the union on this point is correct.

9. But the real question is that unless the enquiry is found to be not fair and proper and the enquiry report is found to be perverse, I cannot go into the merit of the case which will mean sitting in appeal over the finding of the

Enquiry Officer. Let us, therefore, see if the enquiry was fair and proper and the enquiry report was correct.

10. No ground has been made out by Shri Pathak to show in what manner, and, in what respect, and, why the enquiry was not proper and fair and the enquiry report was not correct. Admittedly, the enquiry was held on 25-2-64 in presence of the concerned workmen and at the said enquiry the prosecution witnesses were examined in presence of the concerned workmen who was given an opportunity to cross examine them and he did cross examine three out of the four prosecution witnesses, as will appear from *Exts. M 8, M 9 and M 10*. He, however, declined to cross examine the Group Labour Officer as will appear from *Ext. M. 7* for which the Group Labour Officer is not to be blamed. The Group Labour Officer, PW 1, in clear terms stated about the incident which happened on 17-2-64. It was, therefore, the duty of the concerned workman to cross examine him on the points on which he deposed against him but he declined to cross examine him entirely. Then again, the defence witness of the workman, Shri Ramnagar Koiri, as will appear from his statement *Ext. M. 12*, admitted the prosecution case in a way. He said: "On 17-2-64 at about 5 P.M. Biswanath Chamar (i.e. the concerned workman was talking to Group Labour Officer outside the office, about train fare. They were arguing about it. Biswanath was saying that he has three applications and was talking in heated and violent mood to Group Labour Officer. The Group Labour Officer was speaking in high tone and therefore we are illiterate persons and therefore Biswanath was also violent in his talk and mood".

The above statement *Ext. M 12*, therefore, of the defence witness prove to a great extent the case of prosecution as deposed to by PW 1 Shri R. Ramachandran, Group Labour Officer, that the concerned workman was in a violent mood and he spoke in a violent mood while talking to Group Labour Officer. From the enquiry report *Ext. M 4* I find that the Enquiry Officer has discussed and analysed the evidence of all the prosecution witnesses and also of the workman and after consideration of the same, he came to the conclusion that the incident alleged to have taken place on 17-2-64 did take place as alleged and, therefore, the misconduct alleged in the chargesheet was proved. I do not, therefore find that the said enquiry report was at all perverse, when it is supported by the evidence on the record.

11. For the reasons given above, I therefore, hold that the enquiry was fair and proper and in accordance with the principles of natural justice and the enquiry report is correct and not at all perverse, and, quite fair and proper.

12. The next question is about the legality of the sentence. There is no dispute about the *quantum* of the punishment because it is within the discretion of the management to inflict such punishment as it likes. Clause 18(1) of the Standing Orders *Ext. M. 14* is important on this point and both parties have relied on it and interpreted it in their own way. I think it would be better to read it:

"Clause 18. *Disciplinary action for misconduct.*—(i) A workman may be suspended or fined or his increment may be stopped or he may be demoted or dismissed without notice, if he is found to be guilty of misconduct provided that suspension without pay whether as punishment or pending departmental enquiry shall not exceed ten days. Where, however, a period of suspension pending departmental enquiry exceeds ten days, the workman shall be paid half the wages for such period in excess of ten days".

13. In the instant case, the suspension was from 19th February, 1964 to 2nd March 1964, which, counting from 19th February, 1964, would be for 12 days, and not for 10 days. Shri Mookerjee, however, contended that only working days have to be taken into consideration because for only working days wages have to be paid to these miners, who were daily rated workers, and, therefore, two Sundays should be excluded and after they are excluded then there would be only 10 working days and, as such, suspension for 10 working days only would fall within 19th February to 2nd March, 1964 and it would be quite consistent with the provisions of Clause 18(i) of the Standing Orders, *Ext. M 14*. On behalf of the union, Shri Pathak contended that Clause 18(i) does not speak of Sundays and does not speak that Sunday being weekly rest day should be excluded in counting suspension for 10 days.

14. On the question of punishment, as stated earlier, the *quantum* is not in dispute as it could not be, because I have no jurisdiction to question the jurisdiction of the management in awarding the *quantum* of punishment or the kind of punishment too. But I think it is open to the Tribunal to consider the *legality* of the punishment and if the Tribunal finds that the punishment is contrary to the Standing Orders of the Company, then certainly the Tribunal can set aside the

punishment on that ground alone, although it finds that the domestic enquiry was fair and proper and the enquiry report was also not perverse. This is my view and none of the two parties cited any authority either for or against this view.

15. Shri Mookerjee, however, relied on the decision of the Supreme Court in *J. K. Cotton Spinning and Weaving Company Ltd. Vs. Its Workman*, 1965 (2) LLJ—153, in which case, Mudholkar J., who Spoke for the Court, at page 156, observed:—

“The Court has pointed out time and again that an industrial tribunal to which a dispute arising from dismissal has been referred for adjudication is not an appeal Court having the power to examine the correctness of the conclusions of fact arrived at by a domestic tribunal. Where the industrial tribunal finds that there was nothing improper or unfair in an enquiry conducted by the domestic tribunal and where the action taken against workmen was not actuated by any ulterior motive and where the principles of natural justice have not been infringed, it is beyond the powers of an industrial tribunal to set at naught the action taken by the management which lay within its competence under the standing orders. Whether the material before the domestic tribunal was adequate or not or whether the particular witnesses upon whom reliance was placed by the tribunal should have been believed or not was entirely a matter for the consideration of the domestic tribunal. The industrial tribunal while adjudicating upon an industrial dispute referred to it, does not possess the power of reviewing the evidence adduced before the domestic tribunal or of taking fresh evidence before it except in the limited class of cases to which we have referred in some of our decisions, as for instance, our decision in *G. McKenzie & Co. Ltd. Vs. Its workman and others* 1959(I) LLJ. 285. There, at p. 289, this Court quoted with approval the principles which govern the power of an industrial tribunal to interfere with the decision of the employer as laid down by this Court in *Indian Iron and Steel Company Ltd. Vs. Their Workmen*, 1958(I) LLJ. 260 S. K. Das, J., said:

“Undoubtedly, the management of a concern has power to direct its own internal administration and discipline; but the power is not unlimited and when a dispute arises, industrial tribunals have been given the power to see whether the termination of service of a workman is justified, and to give appropriate relief. In cases of dismissal for misconduct the tribunal does not, however, act as a Court of appeal and substitute its own judgment for that of the management. It will interfere:

- (i) when there is want of good faith,
- (ii) when there is victimisation or unfair labour practice,
- (iii) when the management has been guilty of basic error or violation of a principle of natural justice, and,
- (iv) when, on the materials, the finding is completely baseless or perverse”.

16. In my opinion, however, I have followed the above principles and, therefore, the above observations have no application here, because in that case the question of legality of sentence did not arise. Shri Mookerjee was not able to cite any case in which it has been held that the Tribunal has no jurisdiction to consider the question of *legality*, as distinguished from the *quantum or nature*, of the punishment even when the Tribunal feels that the sentence is illegal being contrary to the provision of the Standing Orders of the Company, beyond which the management has no power to go or to act contrary to it.

17. I would, therefore, now consider if the punishment can be said to be legal. The answer to this depends entirely on the interpretation of sub-clause (i) of Clause 18 of the Standing Orders, quoted above, Ext. M 14. To me it appears that the expression “shall not exceed 10 days” includes Sundays also and it does not exclude Sundays, because they are usual weekly rest days, as contended by Shri Mookerjee. If the intention would have been to exclude Sundays in counting 10 days of suspension, then there was nothing which prevented the Standing Orders from saying specifically in Clause 18(i) that “shall not exceed ten days” excluding Sundays, which are usual weekly rest days. In my opinion, therefore, ten days should be counted from the day the workman is put on suspension till the day of expiry of the suspension period. If this is the correct interpretation, as I think it is, then obviously the suspension of the concerned workman from 19th

February, 1964 to 2nd March, 1964 exceeded 10, days, and therefore, the suspension pending departmental enquiry exceeding 10 days was illegal. Further, suspension even as punishment according to clause 18(i) of the Standing Orders cannot exceed ten days true. Clause 18(i) provides that if the period of suspension pending departmental enquiry exceeds ten days the workman shall be paid half the wages for such period in excess of 10 days. Therefore, in my opinion as the suspension during departmental enquiry, being for more than ten days, which was not in contemplation of Clause 18(i) of the Standing Orders Ex. M 14 rather it was against it, the suspension of the workman was illegal.

18. The next question is on the above finding that the suspension being for more than ten days, which was contrary to clause 18(i) of the Standing Orders Ex. M 14 was illegal to what relief, if any, the workman is entitled. In other words, whether he is entitled to half the wages only for two days which are in excess of ten days or he is entitled to full wages for the entire period of suspension for twelve days. In my opinion, when I have upheld the domestic enquiry and the Enquiry Report Ex. M 4. I have thereby upheld the finding of the domestic Tribunal that the workman was guilty of the charge alleged and, therefore his misconduct under clause 18(i) (r) of the Standing Orders Ex. M 14 was established. In this view, the workman would be entitled only to half the wages for only two days in excess of ten days in accordance with clause 18(i) of the Standing Orders Ex. M 14. But this does not mean that there could be suspension without pay, pending departmental enquiry, for a period exceeding ten days. This interpretation would nullify the earlier part, which is a mandatory provision, that the suspension "shall not exceed ten days". The fact that the period of suspension during departmental enquiry was treated as punishment as mentioned in Ex. W 8 = Ex. M 13, will not, in my opinion, legalise the suspension beyond ten days.

19. I, therefore, answer the reference partly in favour of the management and partly in favour of the workman by holding that the suspension of Shri Bishwanath Chamar (C. P. Miner, Ramnagar Colliery) for the period from 10th February, 1964 to 2nd March, 1964 by the management of Ramnagar Colliery was illegal for the reasons given above, and therefore the workman was entitled to be paid half the wages for such period as was beyond ten days as he admittedly joined on 3rd March, 1964.

20. This is the award which I make and submit to the Central Government.

(Sd.) Presiding Officer.

New Delhi, the 30th June 1966

S.O. 2064.—In pursuance of section 17 of the Industrial Disputes Act, 1947 (14 of 1947), the Central Government hereby publishes the following award of the Industrial Tribunal, Hyderabad, in the industrial dispute between the employers in relation to the Singareni Collieries Company Limited, Post Office Kothagudem Collieries (Andhra Pradesh) and their workmen, which was received by the Central Government on the 27th June, 1966.

BEFORE THE INDUSTRIAL TRIBUNAL, ANDHRA PRADESH, HYDERABAD

PRESENT:

Sri Mohammad Najmuddin, M.A., B.L., Chairman, Industrial Tribunal,
Andhra Pradesh, Hyderabad.

INDUSTRIAL DISPUTE No. 23/1966:

BETWEEN

Workmen of the Singareni Collieries Co., Ltd., Kothagudium.

AND

The Employers of The Singareni Collieries Co., Ltd., Kothagudium.

AWARD

The Government of India, in its Ministry of Labour & Employment, have, through its order No. 7(41)/65-LR.II dated 14th March 1966, referred this case to me for adjudication. The issue set out as per Schedule to the order of reference is this:

Whether the action of the management in terminating the services of Sarvashri S. Bheemalah, Bella Venkanna, C. Baniiah and S. Eram, Shot Firers of No. 2 Incline of the Singareni Collieries Company Limited, with effect from the 9th September, 1965, is justified?

If not, to what relief are the workmen entitled?

2. The claimant-workmen had filed statement of claims. Time was given, and later the same was extended, for filing counter by the management. Even before the counter was filed a memorandum of Settlement between the parties dated 10th May 1966 was submitted. It is signed by Mr. K. S. Das, Joint Secretary of the union representing the workmen. It is also signed by Mr. Vasudevan who is the acting Deputy General Manager of the Collieries. It is attested by two witnesses, Mr. M. V. Ramakrishnarao and Mr. G. Phalguna-rao. The terms of settlement cover the issue in the case. On requisition by me, authorisations of the representatives of the management and workmen were later received.

3. In view of the settlement arrived at between the parties, an award is passed in terms of the Memorandum of Settlement, a copy whereof is appended hereto.

Given under my hand and the seal of the Tribunal, this the 7th day of June 1966.

(Sd.) M. NAJMUDDIN,
Industrial Tribunal.

APPENDIX

Memorandum of settlement arrived at during discussions between the management of the Singareni Collieries Co. Ltd., and their workmen represented by the Singareni Collieries Mazdoor Sangh, on 10th May, 1966, regarding I. D. No. 23 of 1966 relating to termination of service of fourshot Firers of No. 2 incline, Kothagudium Collieries.

Names of Parties

Representing Management:

(Singareni Collieries Co. Ltd.,
Kothagudium)
Sri M. VASUDEVAN,
Ag. Dy. General Manager.

Representing Workmen:

(Singareni Collieries Mazdoor Sangh,
Kothagudium)
Sri K. S. Das,
Joint Secretary.

Short recital of the case.—The General Secretary, Singareni Collieries Mazdoor Sangh, Kothagudium raised a dispute through his letter No. SCMS/V-177/65 dated 1st October 1965, complaining that the Management have terminated the services of some shot-firers of No. 2 Incline, Kothagudium Collieries. The dispute was taken up for conciliation on 17th December, 1965, and the discussions ended in failure. The matter was referred for adjudication by the Government of India through Notification No. 7/41/65-LR. II dated 14th March, 1966, and it was registered as I.D. No. 23 of 1966 by the Industrial Tribunal, Hyderabad. With a view to arrive at an amicable settlement discussions were again conducted between the management and the Union on 10th May, 1966. In view of the detailed discussions, the parties have agreed to the following terms.

Terms of Settlement

(1) As the shot-firer's certificates of Sri S. Bheemaiah has since been renewed by the Chief Inspector of Mines, it has been agreed by the Management to re-engage him as shot-firer at No. 10 Incline with effect from 11th May, 1966, on a rate of pay of Rs. 52 p.m. plus special allowance of Rs. 6 p.m. The period of his absence from the date of his termination of service at No. 2 Incline, viz. 9th September, 1965, and the date of his re-engagement at No. 10 Incline will be treated as leave on loss of pay.

(3) Regarding Sri C. Banaiah and Sri S. Eram, Shot-fires, whose services as coal-cutter at No. 10 Incline with effect from 11th May, 1966, on a basic wage of Rs. 2.16 per day. The period of his absence from the date of his termination of service at No. 2 Incline, viz., 9th September, 1965, and the date of his re-engagement at No. 10 Incline will be treated as leave on loss of pay.

(3) Regarding Sri C. Banaiah and Sri S. Eram, Shot-firers, whose services were terminated on 9th September, 1965, when the Chief Inspector of Mines, Government of India, declared them as no longer qualified to perform the duties of shot-firers due to defective vision (and whose names are included in the Schedule to the Reference), the Union have agreed to drop the dispute relating to these two workers.

[No. 7/41/65-LRII.]

S.O. 2065.—In pursuance of section 17 of the Industrial Disputes Act, 1947 (14 of 1947), the Central Government hereby publishes the following award of Shri Hari Deo Joshi, Arbitrator in the industrial dispute between the employers in relation to the management of Messrs Bikaner Gypsums Limited, Bikaner and their workmen represented by the Rashtriya Gypsum Karamchari Sangh, Jamsar which was received by the Central Government on the 15th June, 1966.

AWARD

The Bikaner Gypsums Ltd., Bikaner and their workmen represented by the Rashtriya Gypsum Karamchari Sangh, Bikaner jointly approached me with a written agreement to act as an Arbitrator on the Charter of Demands given by the Sangh (containing 45 demands) dated 14th April, 1966.

The agreement for reference of disputes to arbitration between the aforesaid parties was sent by the Government of India to be published in Part II, section 3, sub-section (ii) of the Gazette of India dated 26th May, 1966. Notice was also given by me on 29th May, 1966, to all concerned workmen and employees of the Co., to file objections, if any by 8th June, 1966, in regard to the proceedings of arbitration in industrial disputes between the Bikaner Gypsums Ltd., Bikaner and their workmen, represented by the Rashtriya Gypsum Karamchari Sangh, Bikaner. I have received a representation from Shri Radhey Shyam Shri Hari Gaur Advocate, Rajasthan High Court, Bikaner dated 1st June, 1966, on behalf of the Gypsum Mines Workers Union, Bikaner, in which it has been stated that the Government of India has been moved by them not to publish the agreement and the terms of reference in the Official Gazette, in accordance with Law and that I should not proceed with the arbitration of the disputes given to me by the parties for the said purpose. Since the Government of India has already published the agreement in accordance with sub-section (1) of section 10A of the Industrial Disputes Act, 1947, (14 of 1947), and since no objections in pursuance of

notice given by me on 29th May, 1966, and exhibited at conspicuous places in the mines of the Bikaner Gypsum Ltd., Bikaner by 8th June, 1966, have been received, I ignore the latter from the advocate on behalf of the Gypsum Mines Workers Union, Bikaner dated 1st June, 1966, and proceed to examine the demands of the Sangh on merits.

The points of views of both the parties to the dispute were heard. After going through the case of the parties and its justification, I give my award on the demands of the Sangh in the following manner:—

Demand No. 1.—The Company by their agreement dated 20th August, 1960, between them and their workmen, represented by the Gypsum Mine Workers Union, Jamsar had settled rates of wages and Dearness Allowance to be paid to their employees. The payment for Sundays was not provided in this agreement.

Recently, the Government of India, vide their notification No. S.O. 1933, dated 8th June, 1965, have prescribed minimum rates of wages in the gypsum mines and have fixed Rs. 2 per day equally for male and female mazdoors, inclusive of the wages for the weekly day of rest. This notification came into force with effect from 16th August, 1965. Although under the Government of India notification, the rates of wages payable to a mazdoor in the gypsum mines have been fixed at Rs. 2 per day, the mazdoors both male and female which were getting wages on and prior to 16th August, 1965, higher than Rs. 2 per day could not be reduced of their wages and therefore, the wages earned by them on this date became the minimum wages for them. The Company after the applicability of the Minimum Wages Act, 1948, on their mines, normally should have allowed Sunday wages to their employees on the basis of the minimum wages payable in their establishment in accordance with the agreement dated 20th August, 1960. There has been a substantial rise in the cost of living after the Company and Union entered into an agreement in the year 1960. The present rates of wages do not take into account the abnormal rise in the cost of living. I, therefore, direct that all Mazdoors (male and female) including the contractors' labour, shall be given Sunday wages at the rates at which they are being paid under the aforesaid agreement, in view of the applicability of the Minimum Wages Act, 1948, over them. The Sunday Wages (weekly rest) shall be paid to only such Mazdoors, who in a continuous period of one year's service have completed 240 days and who are present for all six days in a week.

Demand No. 2.—The Company was obliged to pay bonus for the accounting year 1964-65, under the agreement dated 20th August, 1966, amounting to Rs. 69,108-00. The calculation under the Payment of Bonus Act, 1965, comes to Rs. 77,522, according to the calculations made by the Company's own experts. It is said that the Co., has paid bonus to their employees, in accordance with the Payment of Bonus Act. I, therefore, direct that no further payments are due to be made on account of bonus to the employees for the accounting year 1964-65.

Demand No. 3.—The Sangh has demanded introduction of gratuity Scheme in the Gypsum Mines Ltd., Bikaner. The Company alleges that in accordance with the agreement dated 20th August, 1960, the Sangh is debarred in raising any fresh demand. I have examined this matter and find that the terms of the said agreement do not apply today, since the agreement has been abrogated by the parties. At the most the above stated agreement could have had its impact during the period it was in subsistence. I accordingly direct that the Company may frame a gratuity scheme, in consultation with the Sangh, which shall come into force with effect from 1st June, 1966. The service of the employees of the Company for purpose of gratuity benefits shall be regarded as from 1st June, 1966. This is my opinion will not put much financial burden on the Company.

Demand No. 4.—The job of blasting involves some hazard. The workmen engaged on blasting work can not be compared with ordinary mazdoors. The demand, therefore, appears justified. I, accordingly, order that the blasting mazdoors be given the status of blasting helpers and put in the grade of helpers.

Demand No. 5.—Demands No. 5, 10 and 13 relate to grant of liveries to the employees. The demand has been raised in respect of Helpers, Khalasies and Fitters in the Workshop Section and Harijans and General Operators in another sections. The Company should provide them with liveries/overalls, commensurate to their works.

Demand No. 6.—The rates of daily allowance paid by the Company at present are as follows:—

Below Rs. 30	—Rs. 1/- per day
Rs. 30 to 49	—Rs. 2/- „ „
Rs. 50 to 74	—Rs. 3/- „ „
Rs. 75 to 124	—Rs. 4/- „ „
Rs. 125 to 199	—Rs. 6/- „ „
Rs. 200 to 399	—Rs. 7 50/ „ „
Rs. 400 to 999	—Rs. 10/- „ „

The rate payable to workmen below Rs. 30 appears too meagre. I, therefore, direct that like category two i.e. from Rs. 30 to 49, employees in category one i.e. upto Rs. 29 may also be paid Rs. 2 per day as Daily Allowance. The rest of the scales may continue as they are.

Demand No. 7.—The union, in view of their other demands being settled, agree to drop this demand. I therefore, allow dropping of this demand without consideration.

Demand No. 8.—The management in principle agrees to frame rules for giving promotions. I, therefore, direct that suitable rules may be framed within a period of 2 months for promotion purposes, in consultation with the recognised trade union and put in operation for the benefit of the workmen.

Demand No. 9.—This does not form an Industrial dispute.

Demand No. 10.—This demand has been considered, while discussing Demand No. 5.

Demand No. 11.—The 'E' type quarters are available to workmen in this grade of Rs. 59—89; Rs. 59—75; Rs. 45—70; and Rs. 45—60 respectively. The Chowkidars, if comprise in any one of the aforesaid grades should be entitled to the type of quarters asked for. Discrimination in the case of one category would create problem to the management for other categories, where revisions of category on the basis of grades may be further necessary. Hence the demand on merits can not be considered, in isolation.

Demand No. 12.—This is also relating to allotment of quarters. C D and I types of quarters are allotted to employees in the grades of Rs. 160—325, 166—300, 160—275, 120—225, 100—220, 75—130, 70—118, 65—111 and 60—100. The same argument as given against demand No. 11 would apply in the case of Demand No. 12.

Demand No. 13.—This demand has been discussed while discussing demand No. 5.

Demand No. 14.—The Company agrees to convert the dispensary attendant into Dresser and to give him a grade of Rs. 45—70.

Demand No. 15.—The helper is stated to be a daily rated workman while a Khallasi is stated to be a monthly rated workman. The only fear of the management is that in converting the helper into a Khallasi, they may be required to give other additional leave facilities in the form of privilege leave, casual leave and festival leave etc. At present, the Khallasi gets 30 privilege leave, 7 casual leave, 2 festival leave and 7 other paid holidays in a year, whereas the Helper gets 15 privilege leave, no casual leave, 2 festival leave and 2 paid holidays.

The question is of principle. If a daily rated workman is made a monthly rated workman, then all daily rated workmen would ask to be made monthly rated workmen and this would entail larger financial implications to the management, in giving them better leave facilities etc. The Sangh has also raised a separate demand for increasing the type of leave being granted to daily rated employees. A smaller section of daily rated employees can not be elevated at the cost of others, without proper justification. I accordingly drop this demand of the Sangh.

Demand No. 16.—The management agrees to delegate powers to Bikaner Office for quick disposal of Provident Fund loans. So I direct that immediate steps be taken in this direction.

Demand No. 17.—The Company agrees to revise the list of medicines as per list provided for Government servants by the Government and to grant medical

facilities to their employees. I, therefore, direct that their list may be prepared and exhibited within a month.

Demand No. 18.—I agree with the demand of the Sangh. The management should not discriminate in the matter of grant of National and Festival Holidays to their employees. Since monthly paid staff has been getting five paid holidays in a year, the weekly rated staff should also be allowed the same number of paid holidays in a year. I, accordingly, direct that the weekly rated staff henceforth will be allowed 5 paid festival holidays in a year.

Demand No. 19.—The Sangh has demanded 15 days' Casual Leave and 7 days' Sick Leave to every employees. At present, the daily rated staff is getting no casual leave and no sick leave. The Company has been giving 15 days Privilege Leave, 2 Festival Leave and 2 paid leave to daily rated staff. As against this the monthly paid staff is getting 30 days Privilege Leave, 7 Casual Leave, 2 Festival Leave and 7 paid holidays. The daily rated staff can not be equated with the monthly rated staff. Hence, I do not want to disturb the privilege leave being allowed in the case of monthly rated and daily rated staff. But since 7 Casual Leave is being given to monthly paid staff, I direct that the same number of leave may be allowed to the daily rated staff also. The case of sick leave reserves no consideration. The workmen have already been allowed 5 paid holidays in a year, under demand No. 18.

Demand No. 20.—The Company should agree to giving two Sunlight Soaps each month to their employees until they are in a position to have facility for bathing and washing in their own premises.

Demand No. 21.—The Company should agree to giving preference to villagers, whenever new recruitments are made on new projects.

Demand No. 22.—It looks reasonable that the Mazdoors who are taken work against the post of peons, should be paid the rate of wages fixed for the peons. The Company should therefore, pay to all such mazdoors, who are being taken work as peons, the salary of the peons or otherwise revert them, in case they are not found suitable to their jobs.

Demand No. 23.—There is only one camel man in the Company who is being paid Rs. 4 per day with effect from 1st February, 1966. The Sangh has demanded payment of Rs. 5 per day. Looking to rise in the cost of living, it looks reasonable to give to the camel man Rs. 5 per day. I, accordingly, direct so.

Demand No. 24.—The grant of free electricity depends upon the supply of electric load to the Company. In case more electricity is supplied to the Company the Company will be in a position to give further concessions to its employees. The Company should, therefore, approach the Government for considering increase in their power load, so that they may give further concessions to their employees. The demand to ask for allowance in such circumstances is not considered tenable and is, accordingly, rejected.

Demand No. 25.—The Company agrees to make certain replacement of equipments in the existing maternity room, at Jamsa.

Demand No. 26.—The Company should frame rules for allotment of quarters in consultation with the Sangh.

Demand No. 27.—The Company has given the figures of employees at three places i.e. Jamsar, Dhirera and Loonkaransar as follows:—

Jamsar	708
Dhirera	243
Loonkaransar	93

The Company may consider the demand of the Sangh. Although, it may not be possible for them to have cinema shows every week, but at Loonkaransar it could be exhibited once in a month.

Demand No. 28.—Medical facilities on a moderate scale may be given by the Company at Loonkaransar and Suratgarh since it has been employing a labour complement of nearly 100 at these places.

Demand No. 29.—The Sangh has given a list of 35 workers to the management, alleging that they are already working alongwith other people but they have not been given regular cards. The management's contention is that they have not got work which they have been allotted and so they cannot issue new cards to these people. As these people have already been working, it will not be fair

not to give them any employment. I, therefore, direct that the cases of workmen given in the list furnished by the Sangh may be examined by the Company and if they are found fit under the Mines Act, the management should give them work and should also give them new cards.

Demand No. 30 and 31.—Demands No. 30 and 31 are connected directly or indirectly with the reference pending before the Industrial Tribunal Rajasthan. Hence, I do not award any thing on these demands.

Demand No. 32.—The Company may pay wages to their employees for 11 and 12th of January, 1966. As for 25th January, I do not think the Company could be bound to pay for this day, as this paid holiday was declared in Rajasthan by the Government of Rajasthan for their own employees falling in the State sphere. The employees of the Company fall in the Central sphere.

Demand No. 33.—The Company should consider supply of adequate water to Loonkaransar area for their employees and also for other areas of the Company where such works are being carried on. The question of supply of electricity is dependent upon the availability of electricity to the Company. This can not be considered, when there is acute shortage of electricity in the State. The question of housing at Loonkaransar again will require consideration by the Company of course, looking to their financial resources and other raw-material difficulties. But the Company wherever they have got their permanent projects must have a scheme for housing and should provide houses to their permanent employees, by the large.

Demand No. 34.—The same advice as given in demand No. 33 above shall apply in the case of demand No. 34.

Demand No. 35.—The Company has given house rent to their employees at Bikaner at 10 per cent of the basic wages. The demand of the Sangh is to give house rent to total wages inclusive of dearness allowance and to increase the same by 50 per cent. I have examined the implication of the demand and accordingly direct that the Company shall give house rent to their employees at Bikaner at 10 per cent of the total wages inclusive of Dearness Allowance instead of basic wages, at which they are paying house rent to their employees to-day.

Demand No. 36.—This demand basically relates to the question of abolition of contract-system. The Government of India is already considering legislation for regulating the conditions of services etc., of contract-labour. The contract system, no doubt, needs abolition, but it can not be done in an arbitrary manner. Even the Supreme Court in the case of "(i) Standard Vacuum Refining Company of India Vs. Their Workmen and another (1960 SC-948)" has observed that for abolition of the contract system, the following factors must be taken into consideration:

- (i) That the work is perennial and must go on from day to day;
- (ii) That the work is incidental and necessary for the work of the factory;
- (iii) That the work is sufficient to employ a considerable number of whole time workmen; and
- (iv) That the work is being done in the most concerns through regular workmen.

The acceptance of Sangh's demand for converting of contract labour into departmental labour would mean increasing the financial and other liabilities of the Company to a greater extent. I, therefore, decline to pass an award on this demand, in view of impending Legislation on the subject before the Government of India, but I direct that the Company shall see that all statutory obligations are discharged faithfully and fully by the contractors.

Demand No. 37.—This demand has been considered alongwith demand No. 1 and 36. I do not therefore, consider further concessions being given to contract labour in the shape of other paid holidays during the year.

Demand No. 38.—The Company should look to the demand of adequate supply of water to the extent possible, on all mines carried on by them. The question regarding electricity supply is dependent upon the availability of power. The housing again is a problem of long range solution. The Company should have a phased programme for future, to provide housing to their employees, wherever they have been carrying on their projects on a permanent basis.

Demand No. 39.—While considering demand No. 1, I have already directed payment of extra wages for weekly days of rest to employees, including the contract-labour. The piece rated workers shall be covered by this direction under demand No. 1. Hence, they will get increased wages on account of higher cost of living, to the extent of 4 extra days of rest, over and above their present wages. The demand, therefore, to raise their present emoluments by 50 per cent appears rather excessive. I accordingly direct that they may be given a total rise of 20 per cent in their present pay packets, inclusive of weekly days of rest.

Demand No. 40.—In case the workmen engaged on the mines are covered by the Statutory Provident Fund Scheme, they should be given the facility of provident fund.

Demand No. 41.—The Company agrees to pay Rs. 1.25 for drawing and cleaning of each wagon.

Demand No. 42.—The Company agrees to make arrangement of extra measurement books at Loonkaransar.

Demand No. 43.—The Company has already paid necessary amount to the contractor, who in turn is going to make payment of bonus to his employees, for the year in question.

Demand No. 44.—The Company admits that payment is to be made as per existing policy to all their employees. However, if there are cases in which no payment of bonus has been made, the Sangh may bring them to the notice of the Company.

Demand No. 45.—The Company has already recognised the Sangh as a representative union.

Demand No. 46.—Letter No. RGKU/(70)/13/66, dated 21st April, 1966 from the Sangh relates to demands in regard to Mazdoors working at Loonkaransar mines.

The management proposes to take up these demands with the Contractors at Loonkaransar and to make suitable adjustments in their rates, in consultation with the Sangh. I, therefore, direct that this particular demand be settled mutually between the parties. In case, the Sangh still feels dissatisfied, they shall be at liberty to raise industrial dispute on these demands.

Demand No. 47.—Letter No. RGKU/(70)/60/66, dated 21st April, 1966, from the Sangh raises three demands.

After taking into consideration the arguments advanced by both sides, I give my award on these demands, in the following manner:—

- (1) In case an employee of the Co. happens to be living beyond a radius of 300 miles, the Co., as a grace may allow him a single fare to and from his native place, after every third year to afford him facility to meet his family members.
- (2) This demand appears to me reasonable. The Co. should bear 50% expenditure for transporting the children of the employees posted on Jamsar, who have to take their education in Kikaner.
- (3) This has already been taken care of in item No. 5 under the general demands.

Demand No. 48.—Letter No. RGKU/(67)/26/66, dated 9th May, 1966 from the Sangh.

The Sangh has given figures of idle labour during the period of a year, when there was no work to be offered to them by the Co. or their contractors. The period in 1965 totals to 12 days, whereas in 1966 to 29 days.

It looks rather strange that for no work to be offered by the Company and for no fault on the part of the workmen, for such idle period the workers should not have been compensated for loss of wages. The principle of lay off is applicable to industrial workers including the mine workers and should have been followed by the Company. I accordingly direct that whenever the Company has no work to offer to their employees either by them or through their contractors, they should follow the principle of lay off, in accordance with section 25C of the Industrial Disputes Act, 1947 and pay lay off compensation to such workmen, in accordance with Law.

The above award given by me shall come into force w.e.f. 1st May, 1966.

Dhanbad, dated the 17th May, 1966

AWARD

By its Order No. 1/13/65-LR.II dated 19th July 1965, the Government of India, Ministry of Labour and Employment, referred under Section 10(1)(d) of The Industrial Disputes Act, 1947, to this Tribunal for adjudication, an industrial dispute existing between the employers in relation to the Malkera Choitodih Colliery of Messrs Tata Iron and Steel Company Limited, Jamadoba, Post Office Jealgora, District Dhanbad and their workmen in respect of the matters specified in the schedule annexed to the order of reference which is reproduced below:

SCHEDULE

- “(1) Whether the management of the Malkera-Choitodih Colliery (of Messrs Tata Iron and Steel Company Limited) are justified in refusing to pay return railway fare to the workmen who are absent after the expiry of leave for more than seven days without permission during the period of three months from the date of their rejoining duty?
- (2) If not, to what relief are the workmen entitled?”

2. Today, on the 17th May, 1966, by registered post, a joint petition of compromise dated 11th May, 1966, signed by the Chief Mining Engineer on behalf of the management and by Shri S. Das Gupta, Secretary, Colliery Mazdoor Sangh, Dhanbad, on behalf of the concerned workmen was received in which the terms of the agreement are mentioned and it was jointly prayed to make an award in terms of the said compromise mutually arrived at between the parties.

3. I have read the terms of the compromise, which is marked Annexure “A” and, in my opinion, they are quite fair and reasonable and in the interest of both the parties and, therefore, I accept the compromise and record it.

4. The reference is accordingly disposed of in terms of the compromise Annexure "A" and an award in terms of it, as prayed for by both the parties, is made and the said compromise Annexure "A" is made a part of the said award.

5. This is the award which I make and submit to the Central Government under Section 15 of the Act.

Sd./- RAJ KISHORE PRASAD,
Presiding Officer,
Central Government Industrial Tribunal, Dhanbad.

The Tata Iron & Steel Co., Ltd.,
Jamshedpur.

ANNEXURE "A"

(1) That the old practice would be restored and Return Railway-fare will be payable to all workmen who do not absent for more than 14 days in the aggregate, within 3 months from the date of the expiry of their leave. But if any recommendation of the Wage Board on this issue is received, the same would be implemented and the existing practice will cease to have force from that date.

(2) That the above payment of Return Railway-fare will have retrospective effect in case of all those persons who apply upto 31st December 1966. Cases of persons who apply after 31st December 1966 will not be considered.

Sd./- S. DASGUPTA.
